Brisbane is a city unlike any other. Vibrant and multi-layered, it is home to everything you expect from a major, cosmopolitan metropolis, however, it exudes a relaxed temperament that embraces the city's heritage as a tropical, tourist destination.

The South Brisbane precinct shares this atmosphere, but has re-imagined it in a thoroughly modern way. It is a suburb that offers so much, with a wealth of retail amenity and bustling business districts. And it is still only the beginning. New infrastructure and development is being implemented everyday, meaning that as good as South Brisbane is today, it is only going to get better.

EXPERIENCE THE ART OF REAL LIVING

South Brisbane is home to the city's spectacular cultural heart. Museums, galleries, theatres and the convention centre line the banks of the river creating a stunning precinct that perfectly compliments the naturally captivating landscape.

It is a destination for the people of Brisbane to gather and bask in the grandeur and diversity of their culture. A place in a constant state of change and evolution as the finest local and international talents come and go, showcasing their skills on the grandest of stages.

NATURALLY SPECTACULAR

Nature plays an important role in defining South Brisbane. It softens the urban environment, giving it a lush, tropical feel that is so synonymous with Brisbane. The Brisbane River flows majestically along the northern edge of the suburb, with road and foot bridges crisscrossing it, providing effortless connection to the CBD.

The South Bank Gardens are a true highlight of the area. Acting as a transitory space between the river and the residences beyond, this expansive green space is a true rarity in the centre of a major city.

A stroll through the park takes you through a diverse range of beautifully landscaped surrounds. One moment you feel like you're lost in a verdant rainforest, then seconds later you emerge into a clearing that is home to a picturesque beach lagoon.

Epicurean delights abound in South Brisbane. From fine dining to quick, tasty take away, the area has developed into one of the premier districts for food and wine in Brisbane. Bustling destinations like Fish Lane, Grey Street and Little Stanley Street are brimming with cafes, restaurants and bars that offer great food and even better company, day or night.

All your everyday shopping needs are at your fingertips with a world of luxury brands, major retailers and independent boutiques located just across the river in Brisbane's CBD. A shoppers paradise that is only a scenic 1km walk from home.
